Hi!

It's always nice to visit neighboring libraries, especially if they are out of town and even out of state. I never pass up a library in my un-often travels and usually, something big turns up. That's how I managed to accrue such a huge amount of odd ball Parten info. My latest find was the East TN and Middle TN Marriages by Sistler. Because of copyright laws, I didn't copy anything but I have access to the books and can look up a name for you. The eventually 3rd volume set would be a boon to any library especially if you have a lot of families in TN like I do.

Keep those letters coming with your info---so far we haven't duplicated anything! Isn't that great???

Hope you enjoy this issue!!!

Glenna

Read the chart by:

Jepty is the target person in Cal O. His spouse has a + before her name. Their children are in Cal 1 with their spouses having a + before their names. Their children, Jepty and Lucy Ann's grandchildren are in Cal 2 with their spouses having a + before their name etc.

I can run the Sprabery line back to the early 1700's if anyone is interested.

My maternal great grandfather, David THOMAS had migrated from Steeple Aston, near Oxford, England in 1869 with a younger brother, Robert THOMAS. David apparently married someone named Martha on his way to Arkansas, for they are listed in the 1880 Census in Ellsworth Township, Logan County, Arkansas with three children, Lucy V., Sarah J., and Lotta A. Martha is shown to have been born in Ohio, as were her parents.

I suspect that this first wife died, for my grandfather, Frederick William THOMAS, was born October 2, 1884 and his mother was Florence Olivia MOSS, whose birthdate was September 21, 1866. Florence Moss THOMAS died December 29, 1887 in Ellsworth Township, Logan County, Arkansas.

I wish to correspond with persons who may have information about Charles C. PARTEN and his wife. Perhaps she is a second wife, for I note that the older children were born in Georgia. During the sojourn in Georgia, Mary probably married a MOSS. I would very much appreciate information on this family, as well.

By calculating the ages of the children, Charles C. PARTEN was in Georgia until about 1862 to 1866, when a daughter was born in Tennessee. This matches the birthdate of Florence Olivia MOSS.

Florence's father may have been a casualty of the war, but I have no information whatsoever on him. Other MOSS families lived near the PARTEN family in Logan County when the Census was taken.

Please contact Oscar G. Russell, 506 Loop Road, North Little Rock, Arkansas 72116. All correspondence will be answered.

QUERIES, con't.

Calvin PARTON, Sr, b. 1843, was the son of Riley PARTON, b. ca 1802 and Mary \_\_\_\_\_ as proven by 1850 census, Greene County, TN, married 1st, Nancy \_\_\_\_\_. They had one daughter, Lilly who married John MANN, 3-4-1888(?) in Knoxville. Calvin married 2nd, Mollie GILLESPIE BURKE. She was married to Thomas BURKE therefore GILLESPIE was her maiden name. They had two children:

Calvin, Jr b. Oct 1887

Annie Mae b. Sep 1892

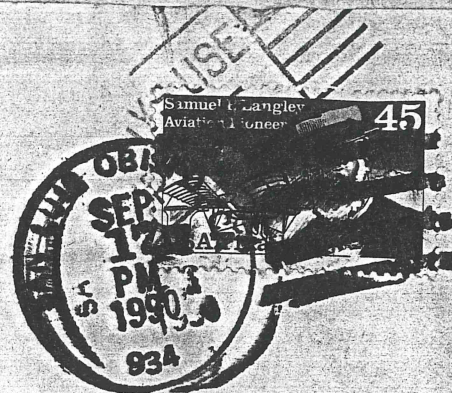

This was indicated by the 1900 census of Knox Co., TN. Their mother, Mollie was born Jan 1865 in VA and died ca 1926 in Blount Co., TN, buried at Laurel Bank, No marker. Calvin, Sr died ca 1893, by drowning at Praters or Lowes Ferry, 10th Dist., Knox Co., TN. The children of Calvin, Jr have no recollection of thier father. Annie had 9 children, 5 living. These five were placed in an orphanage when the mother died. Their father had remarried and his 2nd wife wanted no children.

Richard wants proof of Calvin and Mollie's marriage as well as his death and burial record. Anything would be appreciated.
